Dear

It is with deep sadness that I inform you of the passing of my father, Mr Frederick William York.

Dad suffered a serious stroke at the beginning of June this year and fought all the way to the end, dad sadly passed away in his sleep on the 21<sup>st</sup> August 2019, just 45 minutes before his 86<sup>th</sup> birthday.

I would like to take this opportunity to inform you that dad's funeral will take place on Wednesday 4<sup>th</sup> September, 12:15 at Southampton crematorium in the west chapel.

Bassett Green Road  
Southampton  
SO16 3NF

Dad stated, "no one is under any obligation to wear black, let's inject a bit of colour", he also asked for no other flowers BUT if anyone wants to give then a donation be made to The Dogs Trust "in honour of my beloved companion Cassie", so if you can, please join us, my mum, brother, sister and I, in saying a final farewell to our beloved father, husband & best friend.

There will be a gathering afterwards to celebrate dad, this will be held at Bursledon Brickworks Museum, Swanwick Ln, Swanwick, Southampton, SO31 7HB.  
Dad enjoyed many happy times here, but also, we will have the space to have a small collection of buses on display.

Sincerely

Sharon, Adam, David & Lianne York
